

Congress of the United States
Washington, DC 20515

April 6, 2016

Mr. Robert Cardillo
Director
National Geospatial-Intelligence Agency
7500 GEOINT Drive Springfield, Virginia 22150

Dear Mr. Cardillo:

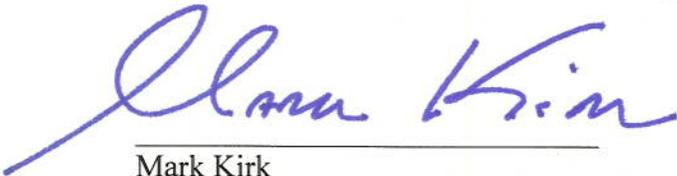

We write to respectfully request you provide a full 30 days for our Illinois Congressional delegation, State and community leaders to thoroughly review and comment on the Agency Preferred Alternative for the Next NGA West Campus in the Greater St. Louis Metropolitan Area.

It remains our contention that the St. Clair County site adjacent to Scott Air Force Base is the superior choice in every respect to include mission security, force protection, workforce recruitment, and fiscal responsibility to the federal taxpayer.

Additional time allows us to provide you substantive comments and feedback from our stakeholders. A full 30 day comment period will not delay your timeline to issue the Record of Decision this spring.

Thank you in advance for your consideration.

Sincerely,

Mark Kirk
